Canadian Lawyer's popular leading boutiques reports continue in 2016. This 2016 report will feature Top Litigation and Corporate Law boutiques.

Canadian Lawyer consults leading lawyers and in-house counsel across the country and asks them to suggest their top picks from a shortlist of firms selected by our editorial staff. Respondents are also invited to nominate firms that did not appear on the shortlist.

Ranking criteria included the following:

- Legal expertise in the area
- Client base
- Notable mandates
- Service excellence

The results will appear as a special feature in *Canadian Lawyer's* May 2016 issue, on canadianlawyermag.com, in a May edition of *Canadian Legal Newswire* and in the May 4 edition of the *Canadian Lawyer InHouse Newswire*.
